'Pathway100.com' Is Live. Site Distributes Publication That Puts 'Average' People On A Pathway To Make \$100 Daily Online While Working Part-Time From The Comfort Of Their Homes

NAVARRE, FLORIDA — Pathway100.com went live on Oct. 8, putting average people on the pathway of making \$100 daily online working part-time from home.

The site is the exclusive distributor of "[20 Ways To Make \\$100 Per Day Online.](#)" published by Internet Marketing Legend Willie Crawford and members of The Internet Marketing Inner Circle (TIMIC).

Patrick Pretty is one of more than a dozen authors featured in the publication. His chapter is titled, "Branding: Making Yourself Memorable On A Small Budget."

"I explain to readers how they can improve their visibility in the Internet Marketing world without spending a lot of money," Patrick Pretty said. "Each of the other chapter authors also explain the business approaches they use to make money working online part-time from home."

ABOUT PATRICK PRETTY: Patrick Pretty is a member of The Internet Marketing Inner Circle, a gathering place for online entrepreneurs across the globe to share information, ideas and professional skills. He also is a Poster Model, TV Star, Action Hero and Hollywood A-Lister.
